**COURSE DESCRIPTION:**

Compass Learning Odyssey is a sophisticated instructional management system with browser-based curriculum and comprehensive assessments. Compass Learning Odyssey includes exciting graphics, interactive animation, creative sound design and hands-on activities that engage students and surround them in a unique learning experience.

**COURSE GOALS:**

The goal of Compass Learning is to master the material of the needed course using an on-line web-based approach. Students will complete their lessons and assessments on-line while the teacher provides additional support. This differs slightly from the traditional method of delivery of information.

**COURSE REQUIREMENTS AND GRADING PROCEDURES:**

**GRADING POLICY**

The purpose of grades is to provide effective feedback to students, parents, and the school administration about a student’s progress towards mastery of the established standards for a particular course or subject. As such, other factors such as attendance, effort and behavior will not be considered when calculating a student’s grade. However, **excessive absences** (Seven unexcused absences during a semester) may result in a loss of credit in accordance with CCSD Regulation 5113. Extra credit will **not** be permitted unless the work is specifically designed to provide more evidence of a student’s progress towards mastery of the established standards.

Only “Lesson Quizzes” and “Chapter Tests” will determine the student’s overall grade. Students may have the opportunity to replace an undesirable grade by repeating an assessment. In this case, the lower grade will not count in the student’s grade average. Students will be graded on a 0-100 point scale, with the following grade equivalents:

90-100	=	A	Consistently exceeds standards
80-89	=	B	Consistently meets standards
70-79	=	C	Approaching standards
60-69	=	D	Emergent
0-59	=	F	Does not meet standards/ Evidence not provided

Failure to complete required assessments may result in a lower grade or a failing grade due to a lack of evidence.

According to CCSD regulation 5121, “Semester exams shall be comprehensive of the material covered during the semester and may be worth up to, but not exceed, 20% of the student’s final semester grade. Final semester grades shall reflect assignments and assessments completed throughout the semester and the final exam grade”. Semester grades are not to account for more than 10% of the final grade. Semester grades will be calculated as follows:

First Quarter	=	45%
Second Quarter	=	45%
Semester Exam	=	10%
Semester Grade	=	100%

Lesson Quizzes and Chapter Tests will hold equal weights when determining a Quarter grade.

**REQUIRED MATERIALS**

- Students must have a pencil.
- Students must have a three ring binder of at least one inch.
- Students may bring in the own headphones, however, they will be provided.

**MAKEUP WORK POLICY**

**The following language is from CCSD Regulation 5113:**

Teachers shall provide an opportunity for a student to make up missed work due to any absence, and students shall be held accountable for the work. When a student is absent, however, the educational experiences lost during that absence might be irretrievable because the instruction and interaction in the instructional setting cannot be duplicated through makeup work.

After any absence, a secondary student is required to initiate contact with the teacher(s) to obtain appropriate makeup work **within** three school days immediately following the absence. Once contact has been made with the teacher(s), specific makeup work must be completed and returned to the teacher(s) within a reasonable length of time, to be determined by the teacher and communicated to the student/parent or legal guardian. The makeup work must be returned to the teacher(s) by the specified due date if it is to be acknowledged. Students shall be allowed a minimum of three (3) days to complete makeup work.

Students may work at home on their specific curriculum. Each student will work at his or her own pace and may need to spend additional time to complete the assignments in their curriculum. Each required assessment must be complete by the end of the semester. Assignments not attempted are equivalent to 0%.

### ***DISCIPLINE PROCEDURES AND CITIZENSHIP GRADING:***

#### **A. Classroom Discipline Plan**

Compass Learning requires the use of a school computer. The misuse of these computers will be subject to discipline action.

On task behavior is essential to mastering the assigned curriculum and retrieving credit. Students who are on websites other than **shared.compass.ccsd.net** will be subject to discipline action. This includes websites and other resources that are minimized on the computer screen. ONLY **shared.compass.ccsd.net** and the resources it supplies are allowed!

Students will have assigned seats and an assigned school computer. Only the teacher may alter the seating arrangement. Students who attempt to alter the seating arrangement will be subject to discipline action.

Students must follow the teacher's directions the first time. At times, one to one instruction takes place and the dialog between the teacher and student must be the only talking in the room. Students may not speak to each other as they are required to wear headphones while working on their curriculum. If a student has a question, they are to wait patiently until the teacher becomes available. Not following these rules will result in discipline action.

Only the required material previously mentioned are allowed near the student's workspace. All other materials including electronic devices must be silenced and kept in a backpack. Students who do not follow these rules will be subject to discipline action.

The following steps in the Southwest Career and Technical Academy Progressive Discipline Plan will be followed when students do not follow established rules and behave inappropriately:

<b>STEP ONE:</b>	<b>Teacher-Student Conference (Warning)</b>
<b>STEP TWO:</b>	<b>Parent Contact by Teacher (Phone or Letter)</b>
<b>STEP THREE:</b>	<b>Counselor Referral</b>
<b>STEP FOUR:</b>	<b>Dean's Referral</b>

**Some offenses are serious enough to warrant a referral to the Dean for the initial infraction (e.g.: physical violence, gross insubordination, truancy, etc.)**

## **B. Tardy Policy**

Timeliness Is Expected (T.I.E.) program promotes being on time as a basic skill for success that every person needs to possess. Through this program, it is our expectation that SWCTA students arrive on time to every class. Not only are students developing skills for success in high school but for the rest of their lives. Being on time before school may require special attention from the student's parent or guardian.

When a student is tardy during the 2011-2012 school year, the student will bring home a tardy slip. Any tardy during 1st block will result in a deans' detention to be served after school the following day. Detention will be served from 1:30-2:00 in a room designated by the dean's office. In addition to dean's detention, the third tardy in 1st block will also result in a Required Parent Conference, and a sixth tardy will result in one day of suspension. A day of suspension will be given for every tardy thereafter. Tardies received for any other periods of the day will require a parent or guardian to bring the student to school the next day and sign them in at the dean's office. Students who attempt to attend classes before being reinstated will be required to call home and get a parent to come sign them in or get permission to leave campus. Students not signed in will be placed on RPC (Required Parent Conference) pending a parent conference.

It is our goal that all students achieve to the best of their ability. By being on time to each class, students have a better opportunity to be successful. Parents or guardians may contact the Dean's Office at 799-5766 (X4500) in the event that there are questions regarding our Timeliness Is Expected program.

- CODE OF HONOR**

**Nevada Department of Education**

There is a clear expectation that all students will perform academic tasks with honor and integrity, with the support of parents, staff, faculty, administration, and the community. The learning process requires students to think, process, organize and create their own ideas. Throughout this process, students gain knowledge, self-respect, and ownership in the work that they do. These qualities provide a solid foundation for life skills, impacting people positively throughout their lives. Cheating and plagiarism violate the fundamental learning process and compromise personal integrity and one's honor. Students demonstrate academic honesty and integrity by not cheating, plagiarizing or using information unethically in any way.

### **What is cheating?**

Cheating or academic dishonesty can take many forms, but always involves the improper taking of information from and/or giving of information to another student, individual, or other source. Examples of cheating can include, but are not limited to:

- ➡ Taking or copying answers on an examination or any other assignment from another student or other source
- ➡ Giving answers on an examination or any other assignment to another student
- ➡ Copying assignments that are turned in as original work\*
- ➡ Collaborating on exams, assignments, papers, and/or projects without specific teacher permission
- ➡ Allowing others to do the research or writing for an assigned paper
- ➡ Using unauthorized electronic devices
- ➡ Falsifying data or lab results, including changing grades electronically

*\*This includes submitting the same assignment to two separate teachers without prior permission.*

### **What is plagiarism?**

Plagiarism is a common form of cheating or academic dishonesty in the school setting. It is representing another person's works or ideas as your own without giving credit to the proper source and submitting it for any purpose. Examples of plagiarism can include, but are not limited to:

- ➡ Submitting someone else's work, such as published sources in part or whole, as your own without giving credit to the source
- ➡ Turning in purchased papers or papers from the Internet written by someone else
- ➡ Representing another person's artistic or scholarly works such as musical compositions, computer programs, photographs, drawings, or paintings as your own

➡ Helping others plagiarize by giving them your work

All stakeholders have a responsibility in maintaining academic honesty. Educators must provide the tools and teach the concepts that afford students the knowledge to understand the characteristics of cheating and plagiarism. Parents must support their students in making good decisions relative to completing coursework assignments and taking exams. Students must produce work that is theirs alone, recognizing the importance of thinking for themselves and learning independently, when that is the nature of the assignment. Adhering to the Code of Honor for the purposes of academic honesty promotes an essential skill that goes beyond the school environment. Honesty and integrity are useful and valuable traits impacting one's life.

*\*This includes submitting the same assignment to two separate teachers without prior permission.*

*Questions or concerns regarding the consequences associated with a violation of the Code of Honor may be directed towards your child's school administration and/or the school district.*
