

**Socratic Seminar:** When we have a Socratic Seminar it is important to remember the following things:

1. Remember to read and take notes on the documents or selected readings
  
2. Remember to create questions for the reading that will be answered by your peers in class
  - a. Write 3 level one questions
  - b. Write 2 level two questions
  - c. Write 1 level three questions
  - d. Write 1 level four questions
  
3. Remember that part of your grade is participating in the discussion, so be sure that you can answer your own questions as well as prepared to discuss the reading.
  - a. You will receive points for asking questions
  - b. Answering other people's questions
  - c. Adding to a person's response.
