

MAKE UP ESSAY TEST
(On Chapter 31)

Directions:

Simply answer all the questions, make sure you hand write this. (Hint: You may want to do part 2 and 3 first). This must be handed in at the beginning of class.

Part 1: Essay

What were the key influences on Western cultural developments in the mid-20th century?

Part 2: Ten events outside North America (mid 20th Century)

List with explanations ten important events that happened outside North America after WW II and before 1970. (this is not a CCOT essay, simply write ten items with their explanations).

Part 3: Ten Events inside North America (mid 20th Century)

List with explanations ten important events that happened inside North America (at least two from each-USA, Mexico and Canada) after WW II and before 1970. (again this is not a CCOT, simply write the ten items with their explanations).
